

Rising Rebels Baseball partners with Centercourt Sport and Club

The Rising Rebels baseball program is proud to announce the partnership with Centercourt Sport and Club. With this, the Rising Rebels will now be operating out of the Centercourt Mount Olive facility, located at 184 Flanders Netcong Road.

Now with a state of the art indoor bubble, in addition to a turf facility with four turfed batting cages, the Rising Rebels coaching staff is excited to offer private lessons, winter training opportunities, as well as youth clinics.
